Medicaid and State-Funded Adoption Assistance

6. Question: If a state-funded adoption assistance recipient is Medicaid eligible in a state, are the Medicaid services available to them the same as those available to a title IV-E adoption recipient?

Answer: Yes, if a state-funded adoption assistance recipient is Medicaid eligible in a state, they must receive the same benefits under the state's Medicaid program as a title IV-E adoption recipient.

U.S.C. refers to the United States Code
C.F.R. refers to the Code of Federal Regulations
