8.1B TITLE IV-E, Administrative Functions/Costs, Allowable Costs - Foster Care Maintenance Payments Program

Question 29: What are examples of allowable administrative costs for the title IV-E Guardianship Assistance Program?

Answer: The Social Security Act, at section 474(a)(3)(E), permits title IV-E agencies with approved title IV-E plans to claim reimbursement at a 50 percent matching rate for the costs of administrative activities found necessary by the Secretary for the proper and efficient administration of the title IV-E plan. The Guardianship Assistance Program (GAP) is an optional portion of the title IV-E plan and provides permanency with relative guardians for a child who has been in title IV-E foster care living with that relative.

In general, the title IV-E administrative costs that are allowable for children in the GAP program are those necessary for the title IV-E agency to administer the GAP program and agreement.

This includes overall development and operation of a title IV-E agency's GAP program beginning in the calendar quarter when the IV-E agency submits an approvable title IV-E GAP plan to the Children's Bureau. Other activities include: determining GAP eligibility, fair hearings and appeals, management of the GAP payment, review and re-negotiation of the GAP agreement, referral to services, and case management only for the IV-E agency to implement the GAP agreement. As such, the IV-E agency's administrative activities for a child in the GAP program are not as extensive as they are for a child in foster care that has not yet achieved permanency.
